announcement

career

penalty

location

excitable

positive

If something flies or moves in a light and quick way it flutters.

If you have chosen a particular thing you have selected it.

When someone gives new information to a group of people that person has made an announcement.

A career is a job for which someone might get training or go to school.

When someone gets a punishment for doing something wrong the punishment can be called a penalty.

A location is a place.

If people or animals can get worked up easily they are excitable.

When you are very sure about something you are positive.
