If a piece of clothing has a snug fit, it fits close to you.

When you brew a drink such as iced tea, you make it yourself by pouring very hot water over the tea and then cooling it.

If something is edible, you can eat it.

When someone thinks of a new idea or product that solves a problem, the new idea or product is an innovation.

A large planting of one kind of plant is a crop.

Supplies are the materials and equipment needed to do a job.

When you earn, you get money or some other kind of reward for doing something.

When you provide something, you give it to someone.

Experiments are tests to try out an idea or to find out if something is true.

When you are on a committee, you work with a group of people on a project or for a special reason.
